Cegos signs worldwide distribution agreement with Lumesse

Talent management specialist Lumesse and leading international training expert Cegos have signed a global partnership agreement whereby Lumesse will distribute the 200 e-Learning Solutions by Cegos® modules as part of its Lumesse Learning solution.

Customers using Lumesse integrated talent management and learning solutions will now have access to the e-Learning Solutions by Cegos® catalogue, a full suite of 200 online training modules in 13 languages, entirely created and designed by Cegos experts. This agreement will step up Cegos' international distribution operation, as it can now count on over 40 Lumesse offices and partners around the globe to reach new customers.

Cegos Group CEO Jacques Coquerel explained, *"We are delighted to team up with Lumesse, a global talent management player with a proven track record for outstanding quality and extensive geographic breadth. Cegos is already present in about 50 countries via its subsidiaries, partner firms and local distributors, and this partnership will boost our international expansion in areas such as Asia, Latin America and the United States."*

"Lumesse is excited to partner with Cegos" said Thomas Berglund, Director of Lumesse Learning. "Cegos is known for pioneering the use of multimedia e-learning content aimed at enriching traditional learning methods. This partnership is a significant step forward in our goal of providing customers with an extensive range of quality learning content directly from their learning and talent management system."

About Lumesse

Lumesse is the only global company making talent management solutions work locally. We help customers around the world to implement successful local talent management initiatives that identify, nurture, educate and develop the right people, in the right place, at the right time. Our multi-cultural background and presence means we understand how to deliver talent solutions that work the way our customers work, as individuals and as teams, because no two people, organisations or cultures are the same. We regard differences as strengths, not as obstacles.

1,900 customers work with us in over 70 countries because they recognise that commitment, innovation and value only come from people. We help customers to unlock and inspire that human potential in their businesses. Our integrated talent management solutions are comprehensive, intuitive, secure and fully internationalised into over 50 languages.
